Licensing Terms

You may use the software for non-commercial purposes, such as education or research until the expiration date of the license which appears on its opening screen. RoadMap may also terminate this Public license at any time. The software and documentation and data sets are to be used solely for non-commercial use by licensed users. Any other use is prohibited. Any commercial use requires a commercial license. You may not use the software beyond the license expiration date, on an unsupported platform or outside of the United States of America.

You may not use or distribute RoadMap GPS or any RoadMap GPS forecasts or any derivative works in any form for commercial purposes. Examples of commercial purposes would be running business operations, licensing, leasing, or selling RoadMap GPS, distributing RoadMap GPS for use with commercial products, using RoadMap GPS in the creation or use of commercial products or the performance of consulting services, investment advisory activities or any other activity which purpose is to procure a commercial gain to you or others. You may not publish benchmarks of RoadMap GPS forecasting performance without permission.

In return for this license, we simply require that you agree that you will not remove any copyright or other notices from the Software. That you will not attempt to decompile, modify or otherwise access any of the binary code or application programming interface to that binary code. You also agree that the software comes “as-is”
